Also, we may carry out checks on your identity on an on-going basis through the duration of these Terms. You agree to provide any such information and documents as we may reasonably request.
- 3.2 You cannot add additional funds to your Card.
- 3.3 We use your available funds on your Card ("Card Balance") to authorize your transactions. We will decline all transactions that exceed the Card Balance.
- 3.4 The Card is a prepaid Card. It is not a debit card and is not connected to any bank account. It is also not a credit card.
- 3.5 Financial and other limits may apply in relation to the Cards (for example, the maximum balance that may be held on the Card, the value of individual Card transactions or an aggregate number or value of such transactions in a particular time period). Such limits will be as set out in the Summary Box and may be changed by us from time to time. To manage our risk, particularly with respect to money laundering, fraud or security concerns, we may also apply internal controls, including limits, to certain types of transactions from time to time but for security purposes, will not disclose them. We may refuse

to execute any transaction to load your Card or to make a Card payment if it would breach any such limits.

- 3.6 You must activate your Card by following the instructions on the Card. The Card is a prepaid debit card that allows you to purchase goods and services at any merchant that accepts Visa or STAR® branded cards.

4 KEEPING YOUR CARD AND SECURITY CREDENTIALS SAFE

- 4.1 We will provide or set you up with certain Security Credentials (such as PIN, password or Card number) so that you can use your Card to make transactions and/or access information on your Card. You must take all reasonable steps to keep your Card and any such Security Credentials safe to protect the funds on your Card. You agree to not store the PIN on the Card or otherwise disclose or make it available to anyone other than someone you have permitted to use the Card
- 4.2 If you permit someone to use your Card, we will treat this act as if you have authorized this person to use your Card, and you will be responsible for any Card transactions initiated by such person.

5 WHEN YOU NEED TO CONTACT US

- 5.1 If your Card is lost or stolen or you believe that someone else has used or otherwise has unauthorized access to your Card or Security Credentials (for example, if your Card, Card number or PIN may be misused, or if a mobile device where you keep them has been lost, stolen or misappropriated), you must:
 - 5.1.1 Contact us immediately at 1-855-485-7697, or if you are abroad, +1-617-275-2263;
 - 5.1.2 If we ask, write to Customer Services within ten (10) business days to confirm the loss, theft or possible misuse, and
 - 5.1.3 Stop using the Card, Card number or Security Credentials (such as PIN) immediately. If you find the Card after you have reported it lost, stolen or misused, you must cut it up and tell us as soon as you can.
- 5.2 If your Card or any replacement Card is lost or stolen, once you have reported it you can request a replacement by telephoning Customer Services.

6 USING THE CARD

- 6.1 The Card is a reloadable prepaid card subject to the limitations set forth in this Agreement and the Summary Box. You may use your Card to:

- 6.1.1 (1) purchase goods or services at any merchant that accepts Visa or STAR® branded cards as long as you do not exceed the value available in your Card or the Daily Purchase Limit (as defined in the Summary Box),
- 6.1.2 (2) withdraw cash from your Card using a PLUS or STAR ATM as long as you do not exceed the value available in your Card or the Daily Purchase Limit (as defined in the Summary Box).
- 6.2 You agree that your Card will only be used for business-purposes, which may never involve transactions intended for personal, familial, or household purposes.
- 6.3 There may be fees associated with some of these transactions which are listed in the Summary Box.
- 6.4 Use of the Card is subject to all applicable rules and regulations of any payment network and funds transfer system involved in the transactions in addition to this Agreement.
- 6.5 The Card is the property of the Bank and must be surrendered upon demand. The Card may not be resold or transferred to another party. The Card may be canceled, repossessed or revoked at any time without prior notice except where required by law.
- 6.6 Any entity accepting your Card for payment will be required to obtain approval or authorization for any transaction in accordance with the rules of the payment network (i.e., Visa or STAR). When an authorization is issued, a three (3) day hold may be placed on the value on the Card in the amount of the authorization. When you use your Card in a tipping environment (at restaurants, bars, barber shops, or beauty spas or for taxis or limos) or rental environment (at cruise lines, lodging, or vehicle rentals), the amount of authorization may be the transaction amount plus an additional amount of 20%. When a preauthorization request is made by hotels and rental merchants, a thirty-one (31) day hold may be placed on funds on the Card in the amount of the preauthorization. If the authorization request varies from the amount of the transaction the merchant subsequently submits to the payment network, settlement of the transaction may not remove the hold, which may remain on the Card until the hold days have expired. If your Card is subject to a hold, the value on the Card that is subject to the hold will not be available for other purposes. Additionally, if you use your Card at an automated fuel dispenser ("pay at the pump"), the transaction may be preauthorized for an amount of \$175, depending on the merchant. You can avoid this hold by pre-paying inside before fueling.
- 6.7 Please note that the merchant controls the timing of both the authorization and final settlement. It is therefore very important that you keep track of your Card Balance. We cannot stop a settlement once we have authorized the transaction, and the Business Partner will be responsible for repaying any negative balance that may occur in the Card Balance.
- 6.8 Each time you initiate a Card transaction; you authorize us to reduce the funds available in your Card by the amount of the transaction and all associated fees. You are not allowed to exceed the available amount in your Card through an individual transaction or a series of transactions (creating a "negative balance"). Nevertheless, if any transactions cause the balance in

your Card to go negative, including any purchase transactions where the retailer or merchant does not request authorization, the Business Partner shall remain fully liable to us for the amount of any negative balance and any corresponding transaction fees.

- 6.9 We may at any time stop, suspend or restrict your Card or Security Credentials (such as PIN) or refuse to execute a Card transaction if:
 - 6.9.1 We are concerned about the security of or access to your Card, Card details or Security Credentials;
 - 6.9.2 We suspect the Card or Security Credentials are being used in an unauthorized or fraudulent manner;
 - 6.9.3 Executing the transaction would breach any limit applicable to your Card;
 - 6.9.4 There are insufficient available funds on the Card to cover the amount of the transaction and any applicable fees;
 - 6.9.5 You have failed to use the authentication method and/or Security Credentials required;
 - 6.9.6 We have reasonable grounds to believe that you are not complying with these Terms; or
 - 6.9.7 We have reasonable grounds to believe that continued use of your Card or Security Credentials may cause us to break the law, code, rules of the Card Network or other duty applicable to us or might expose us to claims from third parties or damage our reputation.
- 6.10 We will, if possible, inform you before stopping, suspending or restricting your Card or Security Credentials (such as PIN) or refusing to execute a Card transaction that we intend to do so and the reasons for doing this. Where we refuse to execute a Card transaction, we will also tell you about the procedure for rectifying any errors on your part that led to such refusal. If we are unable to inform you beforehand, then we will inform you immediately afterwards. We will not inform you where doing so would compromise reasonable security measures or would be unlawful. If the reasons for stopping, suspending or restricting the Card or Security Credentials no longer apply, we will unblock and/or replace them.

7 AUTHORIZING TRANSACTIONS

- 7.1 You authorize and consent to a Card transaction when you:
 - 7.1.1 Enter a PIN or provide other Security Credentials;
 - 7.1.2 Provide Card number and/or any other Security Credentials as requested;
 - 7.1.3 Wave or swipe the Card over a Card reader or insert your Card into a card device or an ATM;
 - 7.1.4 Sign a merchant receipt.
- 7.2 Internet, mail, and phone order purchases may require that we have the name and address of the Cardholder on file. If you wish to make such purchases, you will need to register your Card at www.b4bpayments.com and

provide your name and address prior to performing the internet, mail, or phone purchase.

- 7.3 Please be aware of the merchant's return policies before using your Card to make a purchase. We are not responsible for the delivery, merchantability, salability, marketability, quality, safety, legality or any other aspect of the goods or services you purchase using your Card. If you have a problem with goods or services that you purchased with your Card or if you have a dispute with the merchant, you must handle the concern directly with the merchant. Refunds and returns are subject to the merchant's policies and applicable laws. If you are entitled to a refund for goods or services obtained using your Card, you agree that the merchant will credit the refund to your Card. The refund amount credited to your Card may not be available for up to five (5) days from the date the merchant submits the refund transaction.
- 7.4 You must not use your Card for any illegal transaction, including online gambling, gaming and/or any other activity with an entry fee and a prize including, but not limited, to casino games, sports betting, animal racing, lottery tickets, other ventures that facilitate gambling, games of skill (whether or not it is legally defined as a lottery), sweepstakes, or for any other activity or transactions that may be considered illegal or prohibited. We reserve the right to decline authorization for any transaction that we deem to be illegal, related to illegal activity, or for any other reason at our discretion. We reserve the right to block certain merchants, which means Card transactions at such merchants will be declined. We may decline transactions with certain higher risk merchants or groups of merchants that fall within a particular Merchant Category Code, and we also may decline certain transactions that are deemed higher risk as determined by one or more fraud detection methods. The Card may not be used to purchase real property.
- 7.5 Under Visa Rules, if you have registered your identity with us, you will not be held responsible for unauthorized transactions using your Card unless, based on substantial evidence, your actions in the use of the Card are deemed to be fraudulent or negligent.

8 FOREIGN CURRENCY TRANSACTIONS

- 8.1 The Card can be used for transactions which are not in the currency of the Card although a fee will be applied for doing so.
- 8.2 If you make a transaction in a currency other than US dollars, it will be converted to the currency of the merchant by Visa at the *currency exchange rate* on the date the transaction is processed. We will also charge a Foreign Exchange fee to do so. See Summary Box.

also check this information by calling 1-855-485-7697, or if you are abroad, +1-617-275-2263, 24 hours a day. Please review all Card transaction information regularly.
